Investment Philosophy

Company strategy is constantly evolving as markets and environments change. Without a clear corporate vision, and excellent leadership to realise that vision, it's almost impossible to generate long-term value. Our analysts spend time with the leadership team and also attend key shareholder meetings.

Investment Capability

We manage a range of liquidity assets for a broad range of institutional clients. These investors include corporates, banks, local authorities, and pension funds. Buxine Assets offer a selection of liquidity solutions capable of meeting your needs, whether they are capital preservation, daily dealing liquidity or enhanced yield.

Investment Principle

capitradex.com believes that it can be managed and mitigated to ensure that clients are treated fairly and their interests put at the forefront of how capitradex.com operates. An inclusive and uniting culture will be central to delivering our vision of being a world class investment company.
